

Reception Newsletter: October 2017

Literacy

This month we have looked at the sounds m, a, s, d, and t. We are trying to identify them on their own and also spot them in words. We are beginning to write our names independently, too!

Topic: Autumn

For our ongoing Seasons topic, we have painted leaves, made Autumn trees using our painted hands, cut and stuck tissue paper and coloured paper and made a beautiful display.

Maths

In Maths we have looked at numbers 1-5, capacity, height, length, position and the time. We now all know that school starts at 9 O'clock and lunch is at 1 O'clock.

Autumn Walk with Year 5

We had a great time with Year 5 on our Autumn walk. We talked about the changes Autumn brings.

Topic: Dinosaurs

For our next topic, we have started talking about Dinosaurs and what they eat. We have some great stories and activities to look forward to.
