

Reception: February 2018

Shopping!

We have loved playing in the shop role play corner. We learnt about money and the different amounts in numeracy, counting on in 1s, 2s, 5s and 10's and bought things in the shop. We love taking turns to be the shopkeeper and the customer and have been learning about the importance of waiting your turn.

Superheroes

Our next topic is Superheroes! We are going to learn how we can all be superheroes and "Save our planet," by learning about recycling, saving water and energy by switching the lights off and not leaving the tap on and we will talk about why it is so important to look after plants and animals.

Role Play

Apart from the shop, we have a Hospital in our role play corner. We make appointments using a phone, we have a bed for the sick children and we dress up as doctors to cure them. There is also an optician's section to practise our letter sounds.

Literacy

This month we have been busy learning lots of new sounds : e, l, h, sh, and r, as well as revising the sounds that we know. We have been practising some blending, which will help us with our reading. Our teachers are very proud of us!

Numeracy

As well as learning about money, we have been working on measuring, 1 more and 1 less using a numberline, making sure we know our numbers to 16 and the time. We have also been playing board games to help our maths.
